

**OKANOGAN COUNTY COMMISSIONERS'**

**RESOLUTION 17-2008**

*A resolution to adopt a modification to the fee schedule for the office of Okanogan County Public Works.*

**WHEREAS**, the Okanogan County Code (OCC) 3.01.020 authorizes the Fees and Charges Schedule for Okanogan County Public Works to be adopted by Resolution of the Okanogan County Board of Commissioners; and,

**WHEREAS**, the administrative and overhead cost continue to rise thereby increasing the cost to Okanogan County, and

**WHEREAS**, the purpose of a fee schedule is to defray a portion of the costs to Okanogan County for review and processing; and

**NOW THEREFORE BE IT RESOLVED**, by the Board of Okanogan County Commissioners, that the following attached Fee Schedule marked as Exhibit "A" is adopted to defray the costs of such permit review and processing, and any Resolution pertaining to the above Okanogan County Public Works fees shall be repealed:

**See attached Exhibit "A"  
Okanogan County Public Works  
Fee Schedule**

DATED at Okanogan, Washington this 26<sup>th</sup> day of February 2008.

***References:***

**Note 1:** If cleanup and restoration do not meet county standards, the county may perform the necessary cleanup and restoration at applicant's expense. The hourly rate may vary depending on number of staff and equipment involved.

**Note 2:** If 60 days late a \$5.00 fee is added to the renewal. If renewal fee is not paid within 90 days the cattleguard removal process will be started. If reinstalled Franchisee pays Okanogan County cost for installation.

**Note 3:** All utilities and telecommunications service providers, not holding a pre-statehood franchise, are required to obtain a franchise to occupy Okanogan County road right-of-ways. Franchises granted for maximum of 10 years.

**Note 4:** Fee is a deposit against which costs for advertisement and postings and other activities associated with the request will be assessed if the county does not accept the road. Balance will be returned to petitioner, or the petitioner will be billed for excess expenses.

**Vehicle Overload Permits:**

Permits for vehicle overloads, e.g., height, with & weight:

- |                     |          |
|---------------------|----------|
| 1. One trip permit  | \$ 12.50 |
| 2. One month permit | \$ 50.00 |
| 3. Six month permit | \$100.00 |

***The rates defined above may be changed in the future, all or in part, by the Engineer of Public Works with approval of the Okanogan County Board of Commissioners.***
