

## **Comprehensive Plan Update**

### **Highlands Neighborhood Group 11/29/2007 Meeting Minutes:**

#### **Introduction**

- Administration (Nathan Wehmeyer, Natural Resource Planner II)
- Distribute sign-in sheet
- Glossary of Terms

#### **Review of Questions from Last Meeting**

- The Group decided to stay a one Large Group, but to rotate where the meetings are held.
- Want to see flyers sent to absentee landowners. It was suggested to send announcements in with the Property Tax bills.
- Pauline Waits was chosen as the leader of the group.

#### **Discussion**

- Rural life is what is liked about the area and they want to make sure that that life style is kept.
- Each person is going to write down what type of densities they would like to see and give that to Pauline so she can tally up the responses. This will be used to see what the group wants and were they want high and low densities.

#### **Schedule**

- Next meeting place will be the Chesaw Community Building
- Date: 01-17-08 @ 6-8pm
