Subject: RE: study session agendas 01/04/16

Good afternoon,

I should have contacted you directly before this with an explanation. My apologies. You are indeed correct that I included you on my agenda distribution list because the BOCC initiated the discussion of Martin Hall. Yesterday the BOCC discussed what they wanted to accomplish on Wednesday. Their only objective for Wednesday is to create a schedule of future meetings and begin building a distribution list for the parties with interest in the discussion. Agendas will be created for future meetings so the participants will know the subject matter and objectives of each meeting. Minutes of the meeting will be kept. I will ask the BOCC about recording them.

You and the Judges will be on the list. If you have other staff you would like on the distribution list let me know. Any suggestions you have for other agencies/staff will be useful as well.

In terms of my study session agendas in general the first session at 1:30 every Monday covers planning issues. Occasionally another department or the BOCC schedules a non-planning item during that time but generally that slot is restricted to planning department issues. The second time slot on Monday afternoon covers administrative issues that are either assigned to me by the BOCC or that I am asked to schedule by other departments. I spoke with the BOCC this morning regarding my study sessions. I will be sending the agendas out to all elected, department heads, and assistantts from this date forward. I send out the agenda's no later than Friday morning. Minutes are kept of these study sessions. I will forward your request to record them to the BOCC.

Let me know if you have other questions. I look forward to working with you and your staff on this issue.

Perry

Perry,

For the past two weeks now we have been included on these emails regarding study sessions. One on 1/4 and 1/11. Could you provide some details as to what these sessions are all about? I can see that there are agenda items pertinent to our Department and the Court. Are we supposed to participate in these sessions? Are they merely informational to let us know what is being discussed? Are these sessions recorded with the recording system in case we cannot make a

session? If they are not recorded please consider this a formal request to do so for agenda items pertinent to us. A brief explanation would be appreciated and thank you in advance for your response. If there was something that previously explained these sessions via email or some other correspondence then I thank you for the reminder.

Best Regards,

Dennis T. Rabidou

Commissioners,

The attachments are your study session agendas for January 4, 2016.

I will be out of the office on December 30/31, 2015.
