

Temporary Address Assignment Form (**\$ 45.00 fee**)

I, _____, understand that the County is providing me with a **temporary address** for tax parcel _____.

Pick one:

___ At this time I use my property for **“Recreational use only”**. In the future when I build the driveway its location might change. **The Addressing Department may need to change my address.**

___ At this time my property is **“Vacant”**. In the future when I build the driveway I will notify Addressing of its location change. **The Addressing Department may need to change my address.**

All address changes will require additional processing fees.

I agree to proportionally participate in paying for the road sign if and when the time arises or at such a time that the County determines that the road needs named.

I agree to not hold the County responsible for any delays in emergency services because of the rural area that I live in.

I agree that at this time I live off a road that is used to access only one or two dwellings, but there is a possibility that in the future three or more dwellings will be located on this road. If this should occur **the address will change**, the road will need named, and the road naming process will need to be completed.

I agree to notify the County (Addressing) promptly when any changes or proposed changes are made to my property that will affect the addressing so that a permanent address can be assigned.

I, _____, agree to the above statement.
