Planning Commissioners -

Please reconsider the zoning changes currently being drafted in OCC Title 17A.290 that are negatively impacting Marijuana Operations. It effects me and my family's income. I am a stay at home mom of two children ages 2 years and 6 months. My spouse works at one of the farms and supports our family of four. To support this emerging industry, please implement the following:

- Maintain the current definition of Marijuana as an agricultural crop with the right to farm (17A.020.060 Agriculture)
- Include the definition of farm to include marijuana (17A.020.370 Farm)
- Do not require conditional-use on marijuana operations (17A.290.030)
- Allow permitted use across all zones (pg 106 of OCC 17A Zoning)
- Eliminate the Amortization Period to require permitted, unpermitted, or legal pre-existing marijuana operations to cease operations on January 1, 2017.
- Eliminate additional conditions that would increase operational costs or inhibit business development (17A.310.100 Potential Conditions)

We also ask that you help the effort in asking Commissioners to repeal the moratorium, which prohibits the siting of new producers, processors, and retail operators. (Resolution 17-2016)

Sincerely- Marugenia Mosqueda
